H. C. DUNTON & CO.

Ideas About House Furnishing.

"How far can you swim, Willie?" asked a visitor.

"Oh, I don't know," said Willie.

"Across the ocean?" persisted the visitor, endeavoring to be funny.

"I shouldn't wonder," replied Willie promptly.

"Why, Willie, what a story!" said his mother. "Do you know how far it is across the ocean?"

"Don't care how far it is," said Willie. "Pop told me once never to admit that I could not do a thing until I had tried and failed."

With much better grounds than Willie, we decline to admit that anyone can do better for you in the way of house furnishing than we can. With moderate expenses, with a great line of **Furniture, Kitchen Ware, Crockery** and **Carpets** to select from, and a disposition to make every effort to insure the satisfaction of customers, we believe that our confidence in our ability to take care of your needs is based on solid grounds.

We seek your trade, whether you wish to buy a clothespin or a complete outfit for keeping house.

The Real Estate Market

BUY BEFORE THE BOOM.

The very safest and most profitable investment is **Real Estate,** in such a town as **ATHOL,** backed and pushed by the brains and energy of such a man as **LUCIEN LORD.**

For proof of this, look at the animation and growth of Athol, with her hundred industries during the past five years, particularly at **"Lake Park," "South Park," "Intervale"** and **"Pleasant Valley."** The best and most accessible real estate for homes or business, at half its actual value. Cash or partial payments. Plans and full particulars.

LUCIEN LORD.....

ACADEMY OF MUSIC, ATHOL.

ALASKA!!

Athol house lots are safer and better **50** to **1** than the **"KLONDIKE,"** with its hardships and famine. Buy a building lot of **LORD & LUEY** and you cannot lose, but are sure to win.

Now is the time to get ready for a Home or for Business.

12 houses now building. All kinds of building material and labor taken in exchange for house lots, or we will accept cash payments. Everything goes with us. We make it go! Call or write to

ATHOL STREET DIRECTORY.

The Street Directory gives the location of each street, and shows what other streets or places run from it or across it, with the number at which they intersect.

From this list the location of any number on a street can be easily ascertained. As, for instance, wishing to know at what part of Main street No. 368 comes, turn to Main street and you will find that Church street runs from 344, right side, and Exchange street from 394, showing that No. 368 comes on the right side of Main street, between Church and Exchange.

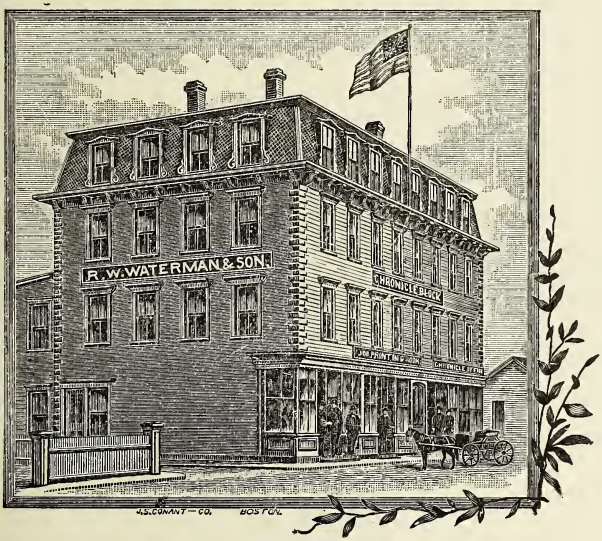
THE WORCESTER WEST CHRONICLE

Athol's oldest and most sought for Family Paper.

Published Twice a Week.

CHRONICLE BLOCK, ATHOL, MASS.

R. WM. WATERMAN, Editor and Proprietor.



The CHRONICLE is now published semi-weekly, eight pages on Thursday and four pages on Saturday. There has been no increase in price on account of the Saturday edition, both issues being sent to regular subscribers at the extremely low price of $1.50 per year in advance; thus furnishing a larger amount of reading matter for the money than any other paper in Worcester County, North. Its motto is, "Open to All, Influenced by None," and in addition to its independent editorials, general news and local departments, there will be found farm, garden, household, miscellaneous, youth's and story departments of unusual interest, much of the matter being written expressly for the paper. The CHRONICLE is not only the largest paper printed in Worcester, North West, but has the largest circulation, and, therefore, is the best advertising medium.
